

## STATE of MINNESOTA

# Proclamation

- WHEREAS: Neurofibromatosis, a debilitating tumor disorder that may cause skin and bone deformities, heart disease, hearing loss, poor balance, and headaches, affects over 100,000 Americans and is one of the most common genetic disorders in the United States striking 1 in every 3,000 births; and
- WHEREAS: We must continue to invest in research in order to make advancements in treatments and cures for the numerous diseases associated with Neurofibromatosis; and
- WHEREAS: May is National Neurofibromatosis Awareness Month.

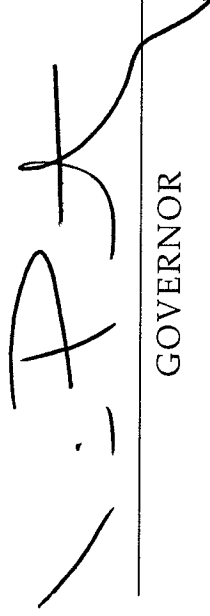

NOW, THEREFORE, I, TIM PAWLENTY, Governor of Minnesota, do hereby proclaim the month of May 2007 to be:

## NEUROFIBROMATOSIS AWARENESS MONTH

in the State of Minnesota.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Minnesota to be affixed at the State Capitol this 1st day of May in the year of our Lord two thousand and seven, and of the State the one hundred forty-eighth.

  
GOVERNOR

SECRETARY OF STATE
